# Coteaux Bourguignons

Clos aux Eglises

## In the vines

Garden vine enclosed by walls, in the heart of the village of Couchey, planted in 2018 on Bresse marl soil. This plot has never seen any synthetic products.

## Viticulture

Guyot Poussard pruning, mechanical plowing and 100% organic fertilizers. We use organic products, and we maximize manual labor : disbudding, trimming, leaf stripping, green harvesting.

## Harvest

Manual harvest in 20 kg boxes with a first sorting at the vineyard.

## In the glass

The youth of the plot and the richness of the terroir produce a supple, fruity and floral soft wine. A wine for friends for excellence, as an aperitif or on the table, it will delight both novices and amateurs.

## Vinification

2nd sorting at domaine.  
100% destemmed, natural yeasts, moderate punching down and pumping over.
