

Marsannay

Champs Perdrix

In the vines

Plot planted in 2008 with very fine plants in 161-49 on a limestone hillside facing South-East. The soil is superficial, on the rock in certain areas.

The youth of the plot, its terroir as well as its exposure make it the earliest develop plot of the estate.

Viticulture

Taille Guyot Poussard, mechanical plowing and 100% organic fertilizers.

We use controlled organic products, and we maximize manual labor : disbudding, trimming, leaf stripping, green harvesting.

Harvest

Manual harvest in 20 kg boxes with a first sorting at the vineyard.

In the glass

This is the estate's Marsannay vintage which shows the most finesse.

Its structure develops a superb balance, with a floral touch. A very airy and suave wine.

Vinification

2nd sorting at domaine.

80% destemmed and 20% whole cluster.

Natural yeasts, moderate punching down and pumping over.
